HIS HOLINESS POPE JOHN XXIII

THE BASILICA OF ST. JOHN LATERAN

This picture shows the cathedral Church of the Pope in Rome. It ranks higher than any other Roman Catholic church in the world. In 312 the Emperor Constantine presented it to the Catholic Church. Five general councils, known as Lateran Councils, have been held there. The present Lateran Palace, which adjoins the church, was built about 1580. It served as the residence of the Popes until their court was transferred to Avignon, France. After their return to Rome, the Popes lived at the Vatican. Many Popes, including Leo XIII, lie buried in the Lateran.

Dedication

"To know, to esteem, to love - and then to part
Make up life's tale to many a feeling heart."

- Coleridge

Thus do we, the Graduates of 1960, span our four high school years which have been filled with industry, progress, and success. Thus do we span a period in our lives which for the most of us has been replete with happy days and cherished memories. Thus do we view in retrospect our contact with our teachers.

Many are the thoughts which pass through our minds at this time. There are memories of classroom, social, and campus life; memories of solid, sound advice; memories of justified criticism and hard-earned praise; memories of complete and unselfish sacrifice. These are the thoughts which, if adequately expressed, would leave our human language dumb.

To you, our devoted teachers, we dedicate this issue of the OLYMPIAN with the hope that the loyalty we, as Alumni, show our school and its competent teachers may be commensurate to the solid start in life which we have been given.

Mothers' Club

The Mothers' Club, under the direction of Mrs. A. Cristofaro, have ended another successful year.

The purpose of the Mothers' Club is to aid the students and the school. To this end the club has organized itself into small groups such as the Telephone Committee which are quite effective in furthering the objectives of the organization.

The work of the Mothers' Club aids financially the Yearbook, the Newspaper, the Library, the Debate Club, the Physical Education Department, and other such functions of the school.

A unique event with the club is the FASHION SHOW which was held this year at the Bon Marche in the Cascade Room. The Annual Card Party at the Norselander was eminently successful once more. Traditional is the Pot Luck Dinner, no less a treat than the Spaghetti Dinner which the Mothers sponsor. To indicate their abiding appreciation of the work of the Brothers, the Mothers hold the Christmas Party each year in the school hall. It is gratifying to all club members to realize the great good they do annually for their fellowmen. As each annual report is concluded, the Mothers may well rejoice in the achievement of their philanthropical mission. They are, indeed, the munificent benefactors of the school.

Boosters' Club

JOHN WALSH

With the passing of John Walsh the Boosters' Club has lost one of its most experienced and efficient members. Mr. Walsh had been one of the key men in the club and had held the office of Treasurer ever since the re-organization of the association by Br. Breen. To the various meetings Mr. Walsh brought a wealth of ripe experience which was greatly appreciated by his fellow-workers. His death has deprived the club of his gentle presence, his abiding interest, and above all his loyalty and efficiency. May his soul rest in peace!

COACH PAUL MAGUIRE

VARSITY FOOTBALL

Led by a talented group of seniors, our Football Squad certainly lived up to the team's motto of "giving 200% effort." Had the team not been hampered by injuries and the loss of some returning lettermen, the record would have been much better than 4-5-1. It was the lack of depth that eventually wore down our "Fighting Irish" Team of which the school is justifiably proud.

The highlight of the season was a 7-6 victory over Blanchet by our warriors who had never been able to defeat the "Braves." Led by Charlie Maxie the "Irish" came from behind to win the thriller. To the Coach and the team go our hearty support and sincere congratulations.

ACKNOWLEDGEMENTS

An annual is a book that the student will keep all his life; hence good planning in the composition of a Yearbook is essential. Despite the limitations of time the Staff did a remarkable job of editing this review of a chapter in the history of the school. Work of editing the average yearbook adds to about one thousand hours. It is hoped that the unselfish efforts of the Staff will be amply recompensed by this issue of the Olympian.

The work entailed was greatly lessened by the cooperation of The Faculty and Student Body, Mr. Charles J. Heib, Mr. R. L. Pedersen of Roberts Studio, Mr. Jim Palm who represented the American Yearbook Company, and last but not least the O'Dea Mothers' Club.
